HAMILTON BASEBALL TEAM DEFEATS ROCHESTER NINE

Buff and Blue Wins Victory on Steuben Field—Cowan's Hard Hit in Eighth Brings in Winning Runs—Captain Johnson Stars at First—Baumler Pitches an Excellent Game.

The Buff and Blue baseball team, which seemed to have been followed by a jinx all spring, broke into the winning list Saturday with a 5 to 3 victory over Rochester on Steuben Field. Captain Johnson's men outplayed the visitors in the field and at the bat. The eighth inning break, which had gone to the opponents in previous games, brought Hamilton the two runs which decided the game.

Baumler showed the best of mid-season form on the mound, allowing the opposing batsmen only three hits. He seemed to have little trouble in retiring his men in all but the third inning, when two hits and an error accounted for a run. Cahill of Rochester was erratic and did not have enough control in the eighth to keep the Hamilton team from breaking down the defence.

Hamilton played a good game in the field, with Johnson featuring. He caught several hard throws to first which resulted in put-outs. Johnson is playing one of the most consistent games of any man on the team. Cowan made perfect catches of four flies to left field and would have maintained a perfect record but for the bad bound which Kreag's hit took in the third inning. A good throw from the recovery of his error gave him an assist to Moffat at third. Most of the credit for the winning runs of the game must go to Cowan. With two men down and two men on bases, he drove out a hit which got by the Rochester left-fielder and rolled to the bushes bordering the tennis courts. Harris's throw held him on third.

King connected with the ball for two singles, driving in Moffat during the third and starting the rally which tied the score. King, Campbell, and Moffat supported Baumler well in fielding the ground balls.

Rochester started off the game by making a run. Harris, lead-off man, received a free pass to first and stole second. Kreag's sacrifice advanced him to second. King was unable to throw Harris out at the plate on Sullivan's grounder and threw the runner out at first.

In the latter part of the same inning, Hamilton succeeded in equalizing the score, but let in a run in the third and fourth. Moffat was hit by Cahill. Campbell was safe on first by Carharat's error, advancing Moffat to second. King drove out a single, scoring Moffat. Campbell stole third. Pritchard hit to Cahill and was thrown out at first. Campbell scored on Pritchard's out. Johnson was retired on a grounder to the infield.

In the eighth, Pritchard led off by walking to first. Johnson went down on a grounder to third. Gorman followed Pritchard on base via the free pass route. Cowan hit a groove ball to left field for three bases bringing Pritchard and Gorman home. Davis popped out to the catcher. Baumler struck out.

Carharat played well at short for Rochester, making one error. Kreag made a nice catch of Johnson's fly to center in the third inning.

BUFF AND BLUE TRACK TEAM DEFEATS ROCHESTER

Hamilton Falls Behind in Races, but Gains Winning Points in Field Events—Eckler and Lawler High Point Men for Hamilton—Richard W. Kaiser Breaks College Broad Jump Record.

Hamilton defeated Rochester in the third track meet of the present season last Saturday by the score of seventy-one and a quarter points to fifty-four and three quarters. The Buff and Blue attained the victory through its superiority in the weights and jumps. At the conclusion of the races the visitors were leading by twelve points, but they lost in the field events and Hamilton won its third track victory this season. Eckler was the highest point getter for Hamilton, with eleven points to his credit, Lawler being second with nine and a quarter points. Dunn of Rochester gained twelve points for his team.

Dunn took first place for Rochester in the hundred in ten and one were second and third respectively.

In the two-twenty Dunn again took first, making the distance in twenty-one and four fifths seconds, with Peters close behind him and Childs of Rochester third. Holler pulled a tendon in this race and was able to finish only with great difficulty.

In the middle distances Rochester again showed superiority. Winslow rounded the track in fifty-five and one fifth seconds; Dunn crossed the line second a scant distance ahead of Captain Couper. Winslow also gained first place in the half mile. His time was two minutes, thirteen and three fifths seconds. Chase was second and Nichols a good third in this race.

Thompson won the mile in four minutes and forty-one seconds. Gale and Esley of Rochester took second and third. Parmelee ran a good sprint at the end of the two-mile run and crossed the line about ten yards ahead of Gordon, who was followed by Doughty. Parmelee's time was ten minutes and forty-three seconds.

Dalton ran the one twenty high hurdles in seventeen and two fifths, leading Riley and Lawler, who were respectively second and third. In the two-twenty low hurdles, Dalton led Pope by a few feet at the finish, with Riley third. The time of this race, which was twenty-five and four fifths seconds, is probably the fastest that has ever been made on a Hamilton track.

The shot put and hammer throw both went to Eckler. He put the shot thirty-six feet, four inches. Wallace of Rochester was second and Farrand of Hamilton third. In the sixteen pound hammer throw, Eckler's throw of ninety-eight feet was better than Wallace could do. Edie added a point to the Hamilton score by taking third in this event.

Fletcher again made ten feet in the pole vault, gaining first honors. Adams tied with VanKennen for second place. The high jump was very close. Rice was tied for third place with three Rochester men.

Richard W. Kaiser made twenty-one feet, four and a half inches in the broad jump, breaking the college record by half an inch. Lawler received second place and Childs third.

Lawler threw the discus one hundred feet and nine inches, annexing five more points to Hamilton's score. Kellogg of Rochester was next best man and Eckler third.

Examinations.

The term examinations for the three lower classes start Tuesday of next week. We shall not issue the customary exhortation to the undergraduates to work hard and pass every course. Such appeals should be unnecessary. Men come to the Hill to get an education and they should lose no time in getting it. The outcome is up to each man.

To the Alumni.

Commencement week will soon be here, with the various undergraduate events and the alumni reunions. This year's commencement is one which the Alumni should particularly attend. The first college year free from war conditions is being completed this June, and peace time conditions are at last restored. There are many changes on the Hill, all of which will interest any alumni visitors who have not seen the Hill for a number of years. Last year, a number of the '84 Alumni motored across the continent from the Pacific Coast to attend their thirty-fifth reunion, and we feel sure that they found the Hill a good place to visit.

The Hill has altered considerably during the past decade. Even within the past three or four years, the college has doubled in size and the graduating class has increased to about sixty-five men. The undergraduate activities have broadened out, and the Hill now sees intercollegiate

track, baseball, and tennis contests being held simultaneously, as they were held here last Saturday. The new athletic field is being used for track meets, and some of the Rochester runners here last Saturday declared Hamilton's track to be the finest upon which they ever ran.

The speaking and debating work of the College has been enlarged and perfected so that Hamilton can point to a perfect record of four intercollegiate debates won this winter, all from colleges of very high ability. The McKinney Prize Debate and the Clark Prize Contest at Commencement this June will furnish evidence of the good work in speaking which the undergraduates are doing at present.

The Charlatans have presented within the last few years Commencement performances which exhibit a finish and a power of expression which are uncommon among amateurs. There is every indication that the Commencement performance this year will equal, if not better, the grade of all previous productions.

There are hundreds more of alumni than of undergraduates in Hamilton College. It is essential, as a matter of morale, that as many as possible of these men should get together at Commencement time. The College is growing annually, and it is justifying the support which the Alumni are giving it. In order to witness the improvements which have taken place, the work which is being done here at

present, and the fine prospects ahead, every alumnus who can possibly come should attend this year's Commencement.

—The freshmen of Hobart College defeated the sophs in the annual cane rush. The latter, however, won the tug-of-war.

—A new non-partizan club of Williams has adopted resolutions in support of Herbert Hoover for President of the United States.

—Harvard has adopted the innovation of showing motion pictures of famous athletes in action to the track squad. The idea is to teach the technique involved, since the posture and actions of the athlete are shown vividly when the pictures are run slowly.

Entering the World Electrical

THE graduate of today enters a world electrical. Gathered from the distant waterfalls or generated by the steam turbine, electric power is transmitted to the busiest city or smallest country place.

Through the co-ordination of inventive genius with engineering and manufacturing resources, the General Electric Company has fostered and developed to a high state of perfection these and numerous other applications.

And so electricity, scarcely older than the graduate of today, appears in a practical, well developed service on every hand.

HAMILTON NINE LOSES TO COLGATE

Maroon and Buff and Blue Teams
Play to Eleventh Inning Decision

SCORE EIGHT TO FOUR

Colgate and Hamilton battled to an eleventh inning decision for the Maroon on Steuben Field, Wednesday afternoon, May 19. With two men out in the final period, Colgate scored four runs, which won the game, 8 to 4.

Erratic fielding by the Buff and Blue, combined with opportune hitting in the first seven innings, enabled Colgate to score four runs. Hamilton was unable to touch Blume until the eighth inning, when a timely hit by Johnson with the bases full and a wild throw brought in four runs. With one man out, Moffat singled to left field and advanced to second on Campbell's hit through short. King struck out. Pritchard drew a free pass, filling the bases. Captain Johnson made a clean bingle to right center. Slow fielding by Colgate and a wild pitch by Blume enabled Hamilton to clean the bases and tie the score.

Colgate won the game in the eleventh with two men down. Sheridan led off with a hit to center field, and stole second. O'Connor walked and was followed by Barnes, who was safe on a passed ball by Davis, bringing Sheridan in. Campbell threw Steffen's hit wild to Johnson, letting O'Connor and Barnes score. Steffen stole second and third, and then made the sensational play of the game by stealing home on Baumler's wind-up.

Doctors Prescribe John's Cascara Compound Tablets for Constipation

They have been prescribing them for years. Ask any prescription clerk...

John's Cascara Compound Tablets are the ideal agent for overcoming
habitual constipation. IDEAL because they contain no irritating cathartics
which apply the whip to the intestines, weaken the system and end by ag-
gravating the very condition they were intended to relieve.

The gentle, thorough, laxative effect of Johns' Cascara Compound Tablets
is due entirely to Johns' concentrated and refined extract of Cascara Sa-
grada, the "sacred bark" of the Aztecs, who knew its value in correcting
constipation—the source of so much sickness and discomfort.

They relieve flatulence, nausea, vertigo, water brash, constipation and loss
of appetite. They remove greasiness and sallowness of the complexion. They
are a most efficient remedy for bilious attacks and sick headaches.

A Johns' Cascara Compound Tablet taken at night insures in the morning
a natural and complete evacuation of the bowel contents. The continued
use of Johns' Cascara Compound Tablets can be nothing but beneficial.
Price, 25 cents.

TENNIS TEAM DEFEATS COLGATE

Hamilton Players Win Straight Victory from Colgate—Tie Syracuse Team in Fast Match

EXHIBIT FINE PLAYING

Hamilton celebrated its entrance into the field of intercollegiate tennis last Wednesday after a lapse of more than ten years, with a victory over Colgate on the local courts. This was supposed to be the third match of the season, but inclement weather made impossible the two preceding contests.

Welsh was the star of the day and had little difficulty in defeating Captain McLauchlan of the Maroon 6-2, 6-4. Captain Ives of Hamilton won two straight 6-3 sets from Law, his opponent. E. D. Read (C) lost the first set to Paton (H), 3-6, but won the second set, and Paton won the match only after a hard fought set which went 7-5. Coupe (H) lost the only set of the day when he lost to C. M. Reed (C). The second set was a victory for the Buff and Blue, 8-6. Reed pulled a tendon in his leg on the final point of this set and was forced to forfeit the remaining set to Coupe.

Manager Calkins of Colgate took the place of Reed in the doubles and with E. D. Read lost to Ives and Paton 6-3, 6-1. Welsh and Coupe defeated McLauchlan and Law 6-1, 6-4. The final score was Hamilton, 6; Colgate, 0.

The Summary

Singles—Captain Ives vs Law 6-3, 6-3. Welsh vs Captain McLauchlan, 6-2, 6-4. Paton vs E. D. Read, 6-3, 7-5. Coupe vs. C. M. Reed, 3-6, 8-6. The final set was forfeited by Colgate.

Doubles—Welsh and Coupe vs. McLauchlan and Law, 6-1, 6-4. Ives and Paton vs. Calkins and Reed, 6-3, 6-1.

Match with Syracuse

The tennis match with Syracuse on the Hill courts last Saturday resulted in a tie. The players were in all respects equally matched, and the spectators were given an exhibition of as fast tennis playing as has been seen on the Hill this year. Hamilton captured two of the singles and one of the doubles.

In the singles Welsh defeated Le Gros, the Syracuse star, after the latter had won the first set. Ives lost to Wheeler in two hard-fought sets. Paton won his first set over Champlain by the score of six to one and lost the second by an equally wide margin. The third set was perhaps the most interesting of the afternoon. Champlain finally won by the score of seven to five. Coupe defeated Spellman in two rapid sets.

The doubles were equally close and the players proved to be as well matched as in the singles. Paton and Ives were defeated in their first set by Champlain and Spellman, but captured the next two sets. Le Gros and Wheeler defeated Welsh and Coupe in the first set. The latter pair took the second by a close score, only to lost the third after a long fight by the score of twelve sets to ten.

MANY GUESTS ON THE HILL FOR SPRING HOUSE PARTIES

Eight fraternities entertained at spring house party over the week end. The visitors saw Hamilton's teams defeat Rochester in track and baseball and tie Syracuse in the tennis matches. The dances Friday and Saturday night proved very enjoyable. The guests at the various houses were as follows:

THE CHARLATANS PLAY IN CLINTON

Present "The Witching Hour" in the Scollard Opera House

PERFORMANCE IS APPLAUDED

The last performance of "The Witching Hour" by The Charlatans was given in the Scollard Opera House last Monday evening before an audience which crowded the hall. The production was under the auspices of The Christian Endeavor Society of the Stone Church of Clinton, and the performance was excellent from every standpoint. The fittings of the Scollard Opera House are not those of the Belasco Theater, but despite this shortcoming, the settings were more than satisfactory.

This, the sixth and last performance of "The Witching Hour" by The Charlatans, gave evidence of decided advance in the presentation of the various parts by individual actors. The men played with a surety, a finesse, and an enthusiasm which is seldom equalled by an organization of amateurs. It was the opinion of many in the audience Monday night, that many parts of the play were presented with an ability little short of professional. One expert critic stated, "You forgot that these were college boys. What was more extraordinary, you often forgot that they were boys playing women's parts. The illusion created by the acting was so complete that the spectator was actually carried along in the great stream of life."

The Charlatans are to be congratulated upon the fact that they now not only have an organization in theory but in fact; an organization which works from the president, business manager, stage manager, stage assistants, scene shifters, actors, make-up man, keeper of the wardrobe, to the publicity men. This effective working organization is something which has been contemplated for a number of years at Hamilton College, and it is a credit to the students that it is at last a reality.

The Charlatans met yesterday morning and voted to give the organization's badge to the following men: A. K. MacLachlan, '20; Wendell D. George, Damon L. Getman, Harold M. Hartness, Charles T. Keane, Jr., Clement G. Martin, R. G. Miller, Thomas B. Pope, and William H. Spice, Jr., '22.

—The seven theological seminaries of Chicago report 662 students this year. This is an increase of 100 per cent over last year.

—The National University of Athens, the largest higher institution of learning in Greece, has an enrollment of 2,800.

—A daring hold-up of an underclassman on the Williams campus a few days ago by two masked and armed highwaymen, fizzled out when the victim could produce only twenty-five cents, which was given back to him by the compassionate ruffians, who, however, relieved two other students of their watches a short while afterwards.
